## K. Appeals.

### Appeals Process

Any student who wants to query a grade/mark awarded by an Awarding Body upon issue of results should adhere to the following procedure:

- Contact the Examinations Officer and the subject teacher as soon as possible (but **at least 5 working days before the published deadline** for Enquiries about Results - EARs) in person, to discuss the mark/grade. The examinations Officer will advise on the options available to query the mark/grade, and the costs involved.
- Students should be aware that **enquiries about results** can result in marks/grades being raised, confirmed or lowered. Students must sign a consent form, to confirm that they understand the consequences of an **EAR**. Consent forms will be issued by the Examinations Officer.
- The subject teacher will review the student's marks/grades and discuss with the Head of Department to agree on appropriate action taking into account the breakdown of marks; the grade boundaries; and the student's predicted grades.

#### **If the department agrees to support the EAR:**

- The request, together with the student's consent form, should be presented to the Examinations Officer **before the published deadline for EARs**. The cost of the enquiry will be met by the departmental budget. If the EAR is successful, the fee will be refunded.

#### **If the Department does NOT agree to support the EAR:**

- A student may appeal against the decision not to support an EAR. Appeals should be made in writing to the Examinations Officer **at least 5 working days before the published deadline for EARs**. The appeal should state in detail the reason(s) for the appeal. This appeal should be signed, dated and should include a daytime contact telephone number of the student, parent or guardian. The appeal information will be reviewed by the Examinations Officer and a member of the Senior Leadership Team. The outcome of the appeal will be communicated by telephone and first-class post within 48 hours of receipt. This decision is final.
- If the Centre does not support the EAR, the student may still proceed with the EAR, but all costs involved will be paid by the student at the time the EAR is made. No EARs will be made until fees are paid. Requests must be made in person to the Examinations Officer before the published deadline for EARs. If the enquiry is successful, the fee will be refunded to the student.
- The Examinations Officer will forward all outcomes following EARs to the student, in writing as soon as they have been received from the Awarding Body.

## L. Non-Exam Assessments.

### **Non-Exam Assessments (NEA)**

Pupils will be informed of their individual Centre Assessed marks for all non-exam assessments; this allows pupils to request a review of the centre's marking before any marks are submitted to the relevant awarding body. This service can only be requested where the pupil has provided, in writing, a valid reason/cause for concern.

If there is a genuine reason for the request and it has been approved by subject staff and SLT, the request will be actioned in line with the schools NEA policy (the full policy can be found on the school website).

All requests are to be made in writing and must come direct from the pupil.

The fee for this service will be £30.00 – if it is proven that the marking policy has not been applied correctly this payment will be refunded in full.

If you have any questions regarding your examinations, please speak to Mrs Wyatt (Examinations Officer).

The Examinations Office is in E Hub.

**GOOD LUCK IN ALL YOUR EXAMINATIONS!**
