- I wish for my child to receive music/instrumental tuition from September in the 2022/2023 academic year.

- I understand that every effort will be made to allow my child to change instruments if they so wish.
- I understand that I am entering into a financial commitment for the academic year and understand the expectations for payment. I also accept that the college reserves the right to withdraw my child from music tuition if the agreed payment schedule is not met and that I will still be liable for the full payment for the academic year.
