

Newman RC College Click & Deliver Service

Unfortunately, the Covid19 Pandemic has resulted in us not being able to offer the same Library service that we would usually.

This means that students will not be able to access the library, even when they are attending school for lessons.

However, it is important that students are still be able to borrow books to continue developing their reading ages.

In September 2020 we launched our new 'Click & Deliver' service which works as follows:

- 1) Students complete the form with their book choice by using this link:

<https://forms.gle/b9WCqC1iywQpjz5d6>

- 2) Students will have their books delivered to form in a Covid secure manner by Miss Bailey.
- 3) Once students have read their book they return it to the quarantine box that is situated in their Form Hub zone.

Please note: During National Lockdown when school is not open to students, this service is not available.

Please register online with Oldham Library and then download the BorrowBox and RBDigital Apps to access FREE books and magazines during this time.
